Dear Mr. Pick

:

RE: Program Year Review Letter
County of Berks
Program Year 2023 (January 1, 2023 through December 31, 2023)

We want to thank you and your staff for all you are doing to serve the CPD program needs of your community during these unprecedented times. The provisions of the Housing and Community Development Act of 1974, as amended, and the National Affordable Housing Act of 1990, require the annual submission of performance reports by grant recipients receiving federal assistance through programs covered under these Acts. Additionally, these Acts require that a determination be made by the Secretary of the U.S. Department of Housing and Urban Development that the grant recipient follows the statutes and has the continuing capacity to implement and administer the programs for which assistance is received.

The Consolidated Plan regulations at 24 CFR 91.525 require the Department to evaluate and report to the public on a community's overall progress in the management of its program funds, compliance with the Consolidated Plan, the accuracy of performance reports, and the extent to which progress has been achieved toward the statutory goals identified in Section 91.1. This letter serves to apprise you of our assessment of the County of Berks overall progress.

In making our evaluation, we relied primarily upon the county's submission of the Consolidated Annual Performance and Evaluation Report (CAPER) for Program Year 2023. This report summarized accomplishments made with funds provided from the Community Development Block Grant (CDBG) program, HOME Investment Partnerships (HOME) program, and Emergency Solutions Grant (ESG) programs. This letter is a summary of our review of the county's overall performance.

Under the Part 91 Consolidated Planning regulations, all Annual Action Plans and CAPERs are required to include performance measures as part of annual reporting. The Office of Management and Budget has deemed this information necessary to validate the continued

funding of HUD programs. The county provided performance measures as required by this guidance.

CARES Act Program Accomplishments

Berks County has received an allocation of \$3,067,156 of CDBG and \$1,759,882 of ESG CARES Act funds for use preparing for, preventing, and responding to COVID-19. The county has expended \$2,787,962.84 of CDBG-CV and all its ESG-CV CARES Act funds to date. In Program Year 2023, the funds were spent on the following activities: homeless prevention and economic development. We appreciate all that the county has done to serve the needs of its community during these difficult times and to adapt to the many operational challenges that COVID-19 has presented.

Annual Program Accomplishments

CDBG Program:

The CDBG timeliness requirement is that a community may have no more than 1.5 times its most recent annual grant remaining in the line of credit 60 days prior to the end of its program year. When the 60-day timeliness test was conducted on November 2, 2023, it was calculated that the county had an adjusted for program income balance in its line of credit of 1.30 times its annual grant, which follows the 1.5 timeliness standard.

During the 2023 program year, the county reports that it expended 98.18 percent of its CDBG funds for activities benefiting low- and moderate-income persons, which meets the primary objective of the Housing and Community Development Act of 1974. In addition, the county spent 1.94 percent of its funds on public service activities, which is below the 15 percent regulatory cap. The county obligated 16.01 percent of its CDBG funds to planning and administration, which is below the 20 percent regulatory cap and in compliance in compliance with the *program year obligation* test at 24 CFR 570.200(g) (2).

The grant-based accounting interim rule at 24 CFR 570.200(g)(1) requires that, for 2015 and subsequent CDBG grants, a grantee may not expend more than 20 percent of any year grant for planning and program administrative costs. As a result, beginning with 2015 CDBG grants, grantees must ensure compliance with this *origin year grant expenditure* test. In review of the county's origin year expenditures. Though not fully expended, currently the county has expended 18.49 percent of its 2020 grant, 20 percent of its 2021 grant, 9.80 percent of its 2022 grant and, 2.47 percent of its 2023 grant. The county's final compliance with the 2020, 2021, 2022, and 2023 origin year expenditure tests will be assessed once the grants are fully expended.

The county received a CDBG grant of \$2,370,974 for Program Year 2023 and expended \$2,917,044.86 of CDBG funds during this period. Resources were devoted to activities in geographic areas consisting primarily of low- and moderate-income residents throughout the

county. The types of activities undertaken with these funds included of activities undertaken with these funds included public facilities and improvements, housing rehabilitation, economic development activities, and planning and administration.

Grantees were required to expend all 2016 CDBG funds by September 30, 2023. The county expended all its 2016 funds in compliance with this requirement. Any unexpended 2017 funds that the county may have available must be expended by September 30, 2024.

HOME Program

The county received a HOME grant of \$720,573 for Program Year 2023 and expended \$810,780 of HOME funds during this period. The types of activities undertaken with these funds included homeowner rehabilitation and new construction.

Please note that grantees are required to expend all 2016 HOME funds by September 30, 2024. To date, the county has expended all its 2016 HOME funds in compliance with this requirement.

ESG Program

The county received an ESG grant of \$200,561 for Program Year 2023 and expended \$200,561 of ESG funds during this period. The types of activities undertaken with these funds included emergency shelter, homeless prevention, rapid rehousing, and planning and administration.

During the 2023 program year, the county was determined to be in compliance with the 24-month deadline for the expenditure of FY 2021 ESG funds. In addition, the county complied with the 60 percent cap on emergency shelter and street outreach requirement.

HUD acknowledges the county's programmatic accomplishments during the program year. Based on our review we have concluded that the county has the capacity to carry out its CPD programs and has met its reporting requirements.

Affirmatively Furthering Fair Housing

The county also included in its CAPER its efforts to affirmatively furthering fair housing and identify impediments to fair housing. The county has funded programs that affirmatively further fair housing, as well as reviewing zoning ordinance revisions and amendments for potential conflicts with the Fair Housing Act. We commend you for these efforts.

U.S. Department of Housing and Urban Development program participants are reminded that the legal obligation to affirmatively further fair housing remains in effect under the Fair Housing Act; Title VI of the Civil Rights Act; Section 109 of the Housing and Community

Development Act; and other civil rights related authorities. Please be aware that a jurisdiction could be subject to a compliance review to determine whether, as a recipient of HUD funds, it is in compliance with applicable civil rights laws and their implementing regulations if its certification to affirmatively further fair housing is in question. The Office of Fair Housing and Equal Opportunity (FHEO) initiates most compliance reviews based on risk analyses, issues raised during a limited monitoring review, or when a civil rights problem is detected through HUD program monitoring. FHEO is available to provide technical assistance regarding affirmatively furthering fair housing upon your request. Should you have any questions, we encourage you to reach out to Carolyn Punter, FHEO Program Center Director, at Carolyn.K.Punter1@hud.gov.

We ask that you review our assessment of your performance and provide any comments that you may have within 35 days of the date of this letter. Upon receipt, we will evaluate your comments and make any revisions that are deemed appropriate. If you do not have any comments, we request that you formally notify us of that fact within the 35-day timeframe. Where no comments are received within the designated timeframe, our initial letter will serve as our final assessment of the county's performance for this program year. To facilitate and expedite citizen access to our performance letter, we request that you inform the public and interested citizens' organizations and non-profit entities of its availability. If, for any reason, the county chooses not to do so, please be advised that our Office is obligated to make the letter available to the public. We appreciate your cooperation in this matter.

We look forward to continuing to work with you and members of your staff to accomplish Departmental goals and mutual objectives to develop viable urban communities. We would also be pleased to provide you with any information on resources that may be available to your community. If you have any questions, please call me at (804) 822-4831. For technical assistance, please contact Mr. Damian Doyle, Senior Community Development Representative at (215) 861-7674, or by email, at damian.doyle@hud.gov.
